The previously named EPRRC has been changed back to the WAPS Catalog. There is no longer a designated study guide for the PFE. Review **Part One** and **Part Two** of the WAPS Catalog for helpful study information. The WAPS Catalog will identify specific chapters to study for the PFE and specific study resources for the SKT. The WAPS Catalog is available at <https://www.studyguides.af.mil>. It is also available at the icon located on your desktop labeled "AF Handbook". Please contact your Unit WAPS Monitor for additional information.
